

ONLY YOUR ELECTRIC COOPERATIVE MAKES YOU AN OWNER OF THE BUSINESS

**BUTLER COUNTY REC EXISTS TO MAKE SURE YOUR NEEDS ARE MET,
NOT TO MAKE A PROFIT.**

As a member of Butler County REC, you are an owner of the business and share in the excess margins in the form of patronage dividends.

Your board of directors has elected to set aside \$2,617,476.77 in excess margins for 2020. These margins—retained as patronage capital—will be used to help keep the cooperative financially sound and the quality of service as high as possible. The funds will also be used to retire debt and build equity in the co-op's distribution system. The board of directors will retire—or pay—those funds when the cooperative's financial condition permits.

PATRONAGE DIVIDENDS: PART OF THE COOPERATIVE DIFFERENCE

This year, your cooperative paid back \$1,213,691.29 in patronage for 2002 and Corn Belt Power Cooperative's portion of 2019. These funds were returned in February. Members from 2002 and 2019 with active accounts received their dividends as bill credits. Checks were issued to former cooperative members without active accounts.

We are missing contact information for the former members listed below and have not been able to deliver their patronage refund checks. **Any information regarding their current addresses will be greatly appreciated.**
